Overview

Peace and order/kaayusan at katahimikan

A small group of Filipino is fuelled by negative news and their anger arises from specific events that trigger moral outrage, and this group has a very focused world view that views specific incidence from a moral and social justice perspective.

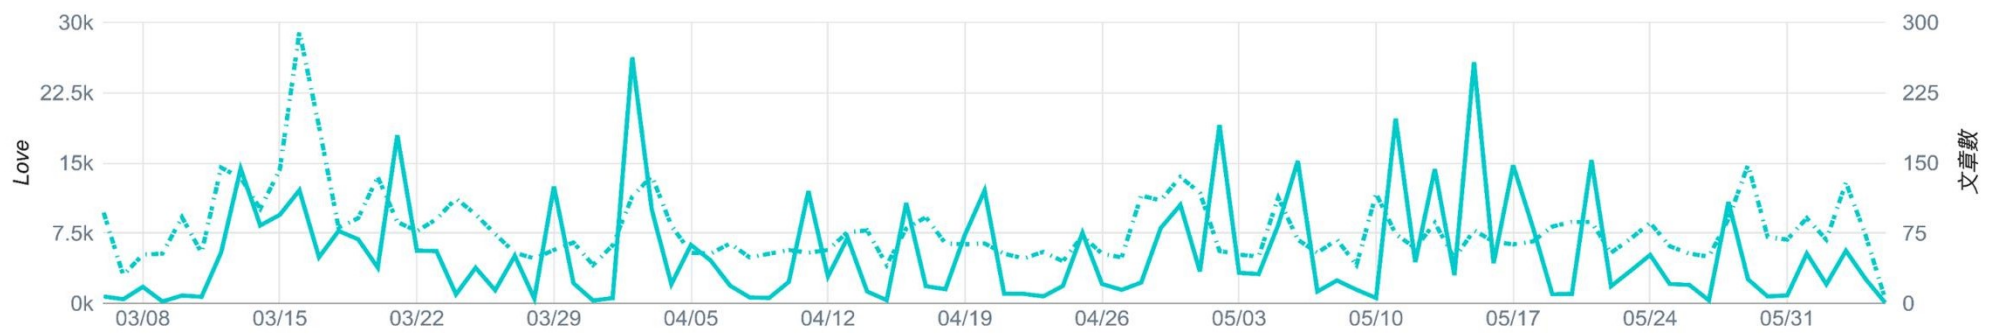

The diagram visualises the relationship between social media content and communal reaction. The solid line represents the amount of emotive reaction on a given day and the scale is on the left-hand side. The dashed line represents the number of posts for the day and the scale is on the right-hand side.

Select Keywords: ("Peace and order") OR ("kaayusan at katahimikan") ■

Select Reaction Type: Love

Select Metric: Amount

Add more data: Fill in 1 auxiliary lines

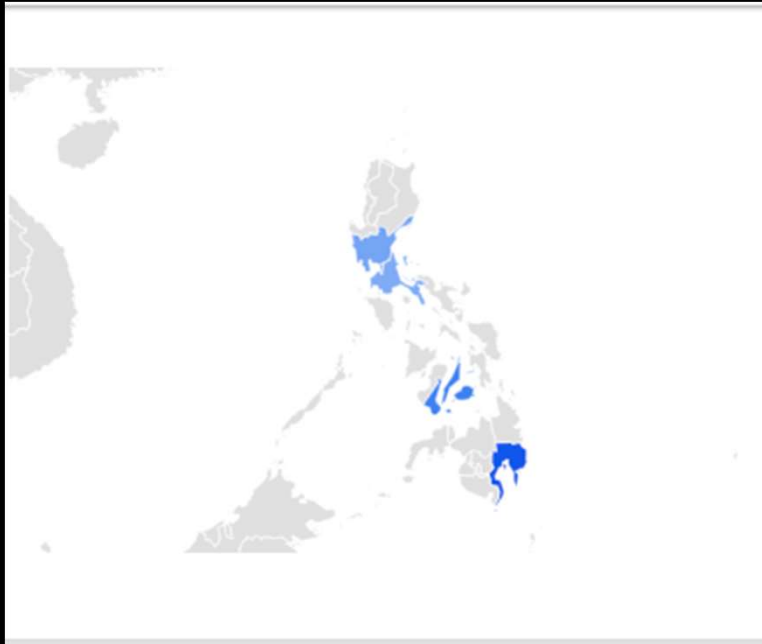

Most Filipinos have a strong feeling of being safe and the population's level of satisfaction is not directly or radically affected by media or news reports.

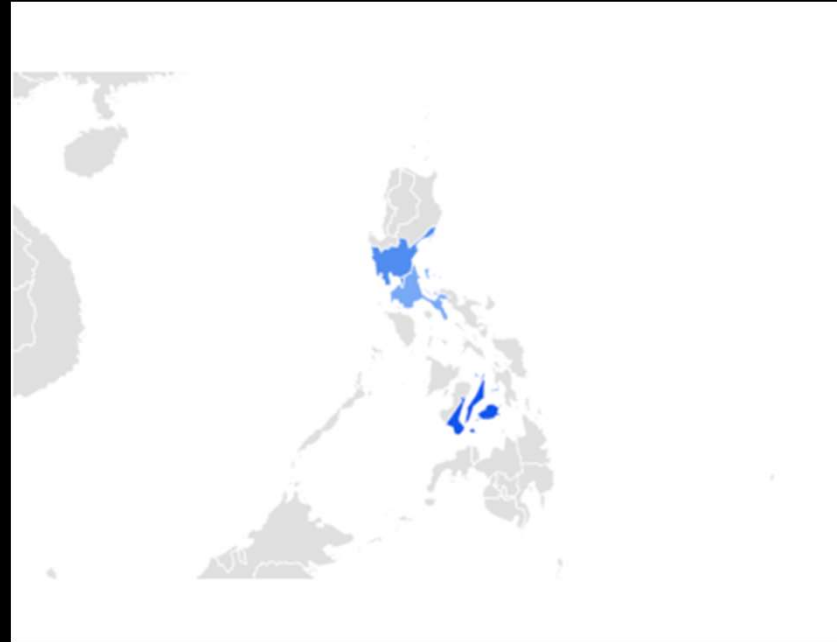

The diagram visualises the relationship between social media content and communal reaction. The solid line represents the amount of emotive reaction on a given day and the scale is on the left-hand side. The dashed line represents the number of posts for the day and the scale is on the right-hand side.

Geographic Analysis

Peace and order/kaayusan at katahimikan

90 Days

30 Days

The issue is very localized and not affecting a wider national audience. The high density of interest around metropolitan areas indicates the heavy concern and negativity is mostly an urban issue.

Comment Analysis

Peace and order/kaayusan at katahimikan

- Filipino identify Peace and Order with locations rather than with incidences. Location is rated as dangerous or safe, but not a type of event.
- The focus of this issue has been municipals rather than regional or national.
- Filipino identify Peace and Order with personalities rather than institutions.
- The main focus of peace and order has been Vic Sotto, and shows a non-militaristic tendency and more focused on idolatry rather than policy discussion.

Data Source

Peace and order/kaayusan at katahimikan

- Data Collection Date Range (2020/3/6 - 2020/6/5)
- Chart, List and Analysis based on 5,046,571 data points of publicly available information.
- Trend and commentary data are from the Facebook platform with geo-spatial summaries from third party aggregation.

Policy Potential

Peace and order/kaayusan at katahimikan

- Policy propagation has a greater impact with visible local figures to lead the initiatives, focusing on promoting “secure spaces” rather than increasing security forces quantity or quality.
- Religious organization’s support or objection would have to be clarified and managed early on, depending on the church’s local influence rather than on specific ideological stances.
